

June 9, 2011

Dear Director,

I am pleased to extend to you an invitation to the **7th Annual Riverside King Band Review**. The event is scheduled for **Saturday, October 22, 2011**. Last year's event attracted 22 competing bands. I expect more bands to participate this year, particularly since there is no conflict with PSAT testing this year.

The deadline for returning the application is Monday, September 14, 2011. If you are considering attending please advise me. Delays in the mail and in district office processing frequently happen. I can hold a space until the September 14 deadline.

This early season event is a great opportunity to "work out the kinks" and/or refine your performance in preparation for the remainder of the season, most notably through the judges' comments, in a real band review environment, not a parade.

The event features the following:

- Beautiful, tree-lined neighborhood parade route on extra-wide street
- Full SCSBOA Judges Panel, including two music judges, two auxiliary judges
- Band, Drill Team, Auxiliary, and Drum Major Competitions
- High School and JHS/IS/MS Adjudication and Awards
- Hosted by the award-winning Riverside King Kingsmen Band and Color Guard
- Free spectator admission
- Entry Fee - \$200 (additional \$50 for Drill Team)
- Short parade route (1.1 miles)

Have a great summer and I hope to see you on October 22.

Sincerely,

Dennis P. Rodda, Event Chairman
